## Wellness Policy Assessment

Our “Wellness Policy” ensures that we establish a school environment that promotes students’ health, well-being and the ability to learn. To be compliant with the USDA’s wellness policy, complete the assessment below.

Please mark each box that has been established and is effective. If you find something needs adjusted, please indicate the changes.

\_\_\_ Policy Leadership – The identity of the person(s) responsible for the Wellness Policy is established.

\_\_\_ Public Involvement – The language of the policy allows the public to provide input in the implementation, development, and review of the policy.

\_\_\_ School Meals – Meal regulations are being followed and the language is understood and related to the policy.

\_\_\_ Foods sold outside of school meal program – We are adhering to Smart Snacks.

\_\_\_ Foods provided but not sold (class parties, class, snacks, rewards) are defined in the guidelines in the policy.

\_\_\_ Food and Beverage Marketing – We are only marketing products that adhere to the Smart Snacks guidelines during school hours.

\_\_\_ The policy states specific goals for physical activities.

\_\_\_ The goals of the policy promote nutrition and education.

\_\_\_ A plan for monitoring the wellness policy is in place.
